

## About the Event

The South Carolina Oral Health Coalition has hosted an annual Oral Health Forum for 17 years. The original event that was scheduled to take place in June 2020, had to be cancelled due to Covid 19 restrictions limiting large in-person gatherings. In an effort to continue moving the needle towards improved oral health status for the citizens of South Carolina, the Coalition is happy to offer this virtual learning event, **Oral Health as a National and State Priority**. The virtual event will take place via Zoom and will feature state and national speakers.
